

23 November 2007

Dear Colleague

## **European Slowpitch Softball Championships 2008 8 – 12 July 2008 at Southampton, UK**

I am pleased to announce that British Softball Federation is hosting the European Slowpitch 2008 Championship from 8 – 12 July in Southampton.

First hosted in the UK in 1998, the 2008 championship is returning to the UK for its 10<sup>th</sup> Anniversary bigger and better than any previous championship.

Seven teams have entered the tournament, a record for this competition and these comes from Croatia, Czech Republic, Denmark, Ireland, Jersey, Slovenia and of course, the defending champions Great Britain. This means there will be in excess of 160 players and officials, but we anticipate throughout the week, seeing over 1000 people attending the competition. In recognition of this major event, the Championships will be featured on the Sky Sports programme, Sport Nation.

The British Softball Federation is hosting the competition and as such, is proud to offer a limited number of sponsorship packages for the event.

As a preferred supplier, existing sponsor or support in softball I would like to offer you first refusal until 20 February 2008 on the Platinum, Gold or Silver corporate packages and enclose a brief overview of the packages available.

I look forward to discussing your involvement and requirements at your earliest opportunity. I can be contacted on mobile 078 3415 5158 or at [roger.grooms@britishsoftball.org](mailto:roger.grooms@britishsoftball.org)

Yours Sincerely

Roger Grooms  
British Softball Federation
